To Whom It May Concern:

Holy Innocents' Episcopal Church seeks financial support from organizations and businesses in the Tampa Bay area and surrounding communities to support our Transforming Lives for Christ (TLC) Feeding Ministry. In this ministry, Holy Innocents' purchases food, cooks, and distributes approximately 800 meals each month to the greater Brandon/ Valrico community in need of a hot meal. We distribute meals via a drive-thru distribution on our church campus, at San Jose Mission, and via Meals on Wheels. This ministry has already transformed the lives of many, including our 100 volunteers and the many that we serve. Below are some photos of our work:

### Cooking

A team of volunteers scales up recipes, purchases ingredients and cook the meals on-site in the Holy Innocents' Episcopal Church Kitchen

### Serving

A team of volunteers portion out meals and package them up with care

### Distribution

A team of volunteers manage distributing meals through a drive-thru line the 2nd and 4th Saturdays every month in the Holy Innocents' Episcopal Church parking lot. Additional meals are distributed via Meals on Wheels and off-site locations

Our goal is to expand the ministry into the community as the need increases. We are grateful for any support and provide the following suggested donations. Your donation is tax-deductible, and we will provide a letter for tax purposes.
